

Dear PreSonus and Studio One family,

Since PreSonus joined Fender in 2021, we've been unifying our accounts and services. Starting **January 13, 2026**, your MyPreSonus account will automatically become your Fender account. If you already have both, signing in with MyPreSonus will guide you through a simple linking process to keep everything connected.

MyFender will be your central place to access downloads, licenses, register products, learn from community experts, and more. **Nothing to fear — you won't lose access to any of your products.**

If you have an active Studio One Pro+ subscription, there will be no gaps in your service or payments. No action is required on your part — this is just a friendly heads up.

Need help? Contact our support team at support@presonus.com.

We're grateful that you're a part of our music-making community and we're excited to continue supporting your creativity at MyFender.

With appreciation,

The Fender and PreSonus Team
